

WOODLAND Heights

WHAT'S NEW AT WOODLAND HEIGHTS?

Alliance Homes President Alex Troop was approached by our Woodland Heights Owners Association to consider an accessible trail added to the entrance of the sanctuary. We are pleased to announce that he not only agreed but the work has already been completed. The accessible portion of the trail covers over 200 metres and gets access to the first two meadows providing beautiful views to those who would otherwise have difficulty with our Algonquin style hiking trails. We have also cut through over 3 kilometres of our hiking trails and are currently working on bridges and viewing platforms.

NEW HOMES IN 2008

We have recently completed 5 more beautiful homes and have started another 5. As you can see in the photos below these homes are a stunning mix of casual country designs with beautiful sophisticated finishes.

INCENTIVES TO MAKE YOUR DECISION THAT MUCH EASIER

Woodland Heights now has the ability to offer vendor take back mortgages on the land, 2 year construction terms and special package pricing for those who decide to buy a lot and home at the same time.
